

DOWN ON MY KNEES

G *Em*
You made the mountains, You made the sunrise
D *C*
You made the very air I breathe
G *Em*
And I am searching, that I might find You
D *C*
That I might hear Your voice for me

CHORUS

G *D* *C*
Down on my knees again, It's where I need to be.
G *D* *C*
Down on my knees again, is where I am truly free

You made the waters, You made the valleys.
You made the earth beneath my feet.
And I am longing, to hear your heartbeat.
The rhythm that burns in me.
