

HALLELUJAH, OUR GOD REIGNS

Key of A

VERSE 1

A *A/B* *A/C#* *D*
We hold to something deeper than these melodies we raise
A *A/B* *D*
We cling to something deeper than these songs
A *A/B* *A/C#* *D*
There is something that unites that this moment can't contain
A *A/B* *D/F#*
Forever, yes forever we proclaim

CHORUS

A *E*
You alone are God, Holy is Your Name
F#m *D*
And Jesus Christ Your Son died for sins and then was raised

And Your Spirit, Lord, lives in us this day
F#m *D* *A*
Hallelujah, hallelujah, Our God Reigns

In quiet inspiration in the stillness of our homes
We fall upon our knees in humble prayer
And in joyful celebration as Your church now lifts You high
We join the host of heaven and declare
