Andy Needham

Verse 1:

D E F#m D E A
We've been called out of darkness, into marvelous light

D E F#m D E A
We've been called sons and daughters, through his great sacrifice

Bm D A E
Now let us throw aside, every hint of pride, laying every burden down

Bm D A E
And let us run this race, living all our days, for His Name and renown

Chorus:

D A E
I will run, run, run, You are my everything

D A E
What amazing love, came down and rescued me

D A E F#m
Now my chains are gone, and I'm pressing on

D E D E F#m / D E A
After You I run, run, run

Verse 2:

You are God, like no other, we had turned from Your face
But because of Your kindness, Jesus died in our place
Help us to understand, how this perfect plan
Is much more than we deserve
O, make our every move in pursuit of You
Be our wellspring and our thirst

Bridge

Bm D
Turning my eyes on You, running hard after You

A E
Things of the world growing dim

Bm D
I am living by Your design, pressing on towards the price

A E
All that I have Lord I give
