

LIFTED HIGH

CAPO ON 1
VERSE 1

Em *C* *G* *D/F#*
Majesty and glory, that words fail to describe
Em *C* *G* *D/F#*
Expanses of the heavens that have never met an eye
Em *C* *G* *D/F#*
Wonder fills this worshiper with unreserved delight
 Em *C* *G* *D*
May Your Name be lifted high

Who is there like you oh Lord, worthy of all praise?
Who was there before you Lord, Ancient of all days
Wonder fills this worshiper, and all that I can say
May Your Name be lifted high

CHORUS

Em *C* *G* *D*
May the matchless name of Jesus, Be the anthem of our lives
 Em *C* *G* *D*
May the power of His presence, Mark our hearts with Holy fire
 Em *C* *G* *D*
May we imitate His Holiness, That all might see the light
 Em *C* *G* *D*
May Your Name be lifted high

VERSE 2

Radiance and splendor that fill the morning sky
Intricate creations that baffle fragile minds
Wonder fills this worshiper, my joyful spirit cries
May Your Name be lifted high

Brilliant are deeds oh Lord, faultless are Your ways
Perfect are Your precepts, Lord, forevermore unchanged
Wonder fills this worshiper, and all that I can say
May Your Name be Lifted High
