

OPEN ARMS

VERSE 1

E *B* *A* *B* *E*
You are watching over me, even when I hide
E *B* *A* *B* *E*
You are standing close to me, standing by my side

CHORUS

E *B* *C#m* *B* *A* *E*
Oh Lord, I may never understand
E *B* *C#m* *B* *A*
Your love, for a simple broken man
E *B* *C#m* *B* *A*
But I know, that when the darkness seems so strong
A *B* *C#m* *B* *A*
You are standing by with open arms
A *B* *E* *B* *A*
You are standing by with open arms

VERSE 2

You are watching over me, even when I hide
You are standing close to me, standing by my side
