

SOAK UP THE SONSHINE

Verse Progression

Ebm C# F# B (Capo on 3 play C#m, B, E, A)

VERSE

Oh let the darkness fade away
Let the enemies of purity be sent out on their way
Let the glory of our Savior shine bright within this place
Let the Son shine bright today
Let the Son shine bright today

Oh let the shadows disappear
As holiness of God himself, within our hearts appears
Let the peace beyond all circumstance drive out our every fear
Let the Son shine bring in here
Let the Son shine bring in here

Pre-chorus Progression: Bb B C# (Capo on 3 play Ab A B)

PRE-CHORUS

And the very one who calmed the storm
Is the one who gives us life...

Chorus Progression: F# C# B C# (Capo on 3 play E B A B)

CHORUS

Let the waves be still, let Son shine bright
And soak up the sunshine
Let the dark clouds break to a bright blue sky
And us soak up the sunshine
