

# WHAT A SAVIOR

## VERSE 1

Who is this King, Who is this God?  
Who opened His arms, and showed us His love?  
How can it be, that this rebel heart  
Is covered by grace, and cleansed by His blood?

## PRE-CHORUS

What was dead is now alive, set free and raised in Christ

## CHORUS

Love so amazing! Love so divine!  
As deep as the ocean, as high as the sky  
Grace beyond measure flooding my soul  
Oh what a Savior is Jesus my Lord!

## VERSE 2

Oh what a truth, history's frame  
God became man, Jesus His Name  
Sinless in life, silencing death  
Pure sacrifice, once for all men

## PRE-CHORUS 2

But no grave could hold Him in, And by faith we're raised with Him

## BRIDGE

My life, my all, I lay it down, To Him who bore my nails and crown  
My heart, my mind, I fix upon, The greatness of my Savior God
